

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF WEST VIRGINIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

CRIMINAL NO. 1:06CR53
(Judge Keeley)

HENRY HIMES FREEMAN,

Defendant.

**ORDER ACCEPTING AND ADOPTING MAGISTRATE JUDGE'S
RECOMMENDATION THAT DEFENDANT'S GUILTY PLEA BE ACCEPTED**

On September 20, 2006, defendant, Henry Himes Freeman, appeared before United States Magistrate Judge John S. Kaull and moved this Court for permission to enter a plea of GUILTY to the one count Information. The defendant stated that he understood that the magistrate judge is not a United States District Judge, and consented to pleading before the magistrate judge. This Court had referred the guilty plea to the magistrate judge for the purposes of administering the allocution pursuant to Federal Rule of Criminal Procedure 11, making a finding as to whether the plea was knowingly and voluntarily entered, and recommending to this Court whether the plea should be accepted.

The magistrate judge accepted the defendant's waiver of indictment pursuant to Rule 7(b) of the Federal Rules of Criminal Procedure. Since the offense charged in the Information naming the defendant is punishable by a term of imprisonment of greater than one year, the magistrate judge questioned the defendant to

determine if his waiver of prosecution by indictment was freely given in a sober and knowledgeable fashion.

The magistrate judge then advised the defendant of the nature of the charges made in the Information, and inquired whether the defendant had read and reviewed the Information with counsel. Defendant waived the reading of the Information.

Next, the magistrate judge summarized the defendant's rights to proceed by a Grand Jury indictment and explained that he has a constitutional right to proceed by an indictment, and that the United States is able to charge him by Information only by waiving this right. The magistrate judge explained the Grand Jury process to the defendant: that to charge him with an offense a Grand Jury must find probable cause that he committed the offense; that the Grand Jury is composed of at least 16 and not more than 23 persons; and that at least 12 of the grand jurors must find that probable cause exists to so charge him.

The defendant stated that he understood that he had a right to proceed by indictment by a Grand Jury, and that by waiving this right, the United States could proceed to charge him with the Information just as though he had been indicted.

The defendant then signed a Waiver of Indictment in open court, and the magistrate judge ordered that the Waiver be filed.

**ORDER ACCEPTING AND ADOPTING MAGISTRATE JUDGE'S
RECOMMENDATION THAT DEFENDANT'S GUILTY PLEA BE ACCEPTED**

Based upon the defendant's statements during the plea hearing and the testimony of Officer Brian Purkey, the magistrate judge found that the defendant was competent to enter a plea, that the plea was freely and voluntarily given, that the defendant was aware of the nature of the charges against him and the consequences of his plea, and that a factual basis existed for the tendered plea. On September 21, 2006, the magistrate judge entered an order finding a factual basis for the plea and recommending that this Court accept the plea of guilty to the one count Information. On September 25, 2006, the magistrate judge entered an amended order again finding a factual basis for the plea and recommending that this Court accept the plea of guilty to the one count Information.

The magistrate judge also directed the parties to file any written objections to the report and recommendation within ten (10) days after service of the report and recommendation. The magistrate judge further directed that failure to file objections would result in a waiver of the right to appeal from a judgment of this Court based on the report and recommendation.

The parties did not file any objections. Accordingly, this Court finds that the magistrate judge's recommendation should be **AFFIRMED** and **ACCEPTS** the plea of guilty to the one count information.

**ORDER ACCEPTING AND ADOPTING MAGISTRATE JUDGE'S
RECOMMENDATION THAT DEFENDANT'S GUILTY PLEA BE ACCEPTED**
